

Courtesy of Lost Bird Project

Artist Todd McGrain sculpts North American birds that have become extinct, such as the heath hen, because of humanity's impact on the environment. McGrain's "Lost Bird Project" will be at the Ann Norton Sculpture Gardens from Jan. 12 to June 25.

"Genesis XIV," by the Colombian-born artist Gonzalo Fuernmayor, will be seen at the Armory Art Center Jan. 14-Feb. 11 as part of "Champions: Caribbean Artists Breaking Boundaries in South Florida."

Croatian hornist Radovan Vlatkovic will perform concertos by Richard Strauss (Dec. 3) and Mozart (Dec. 4) at the Kravis Center with the Mozarteum Orchestra of Salzburg.

Gardens. At the Ann Norton, the sculptures will be complemented by related drawings and photos, as well as educational programs.

Ballet, a new addition to the company's repertoire.

**PALM BEACH SYMPHONY**  
*Feel the Rhythm, 7:30 p.m., Feb. 8, Flagler Museum*  
The program strays from the beaten path with mostly contemporary music showcasing the percussion section. Included are Owen Clayton Condon's melodic and propulsive *Fractalia* and John Cage's *Living Room Music*, a quartet the composer specified should be played using "any household objects or architectural elements."

**CHAMPIONS: CARIBBEAN ARTISTS BREAKING BOUNDARIES IN SOUTH FLORIDA**

Jan. 14-Feb. 11, Armory Art Center

The exhibition will feature painting, photography, sculpture, video and installation art by Caribbean artists living in South Florida. Don't look for pretty pictures of palm trees and beaches. The show will investigate themes of identity through a contemporary lens.

**TODD MCGRAIN: THE LOST BIRD PROJECT**  
Jan. 12-June 25, Ann Norton Sculpture Gardens  
McGrain has spent the past 10 years drawing attention to North American birds that have become extinct because of humanity's impact on the environment. His bronze sculptures of extinct birds were on display for more than a year at the Smithsonian

**MIAMI CITY BALLET**  
*Program III, Feb. 24-26, Kravis Center*  
The company will unveil *The Fairy's Kiss*, a new ballet based on Hans Christian Andersen's *The Ice Maiden* by Alexei Ratmansky, one of the hottest names in ballet today. Also on the bill are *Polyphonia*, Christopher Wheeldon's breakout ballet, and George Balanchine's *Walpurgisnacht*
