

# COMMUNITY OPEN HOUSE

## DATE & TIME

October 5, 2019  
10:00 am – 6:00 pm

## LOCATION

As a thank you to the community and to celebrate the Partners in Preservation campaign, Ann Norton Sculpture Gardens is proud to kick off the season with a community open house. For one day only, the public can step through the garden gates free of charge to experience garden and exhibition tours, refreshments, music, and special surprises. Visitors will be encouraged to “think big” just as Ann Weaver Norton did and cast their votes on site to help restore and save the studio. (561) 832-5328 or [Event info](#)
